PORSELIJN

A show to celebrate our 20 years.
A performance that leaves no one
untouched....

a little word of **Juf Nicky**

20 years ago - in September 2003 - we started on a big adventure with Danzateljee. We had never dreamed to still be here after 20 years. What started out as a dream, became reality.

We were very excited when we welcomed our first dancers, our first dance show in 2005, and after 3 years we moved to the bigger (and current) location. 28 own dance shows, 24 international tours, 46 artists, 6 Schlager festivals, more than 160 performances in- and outside of our country, 54 video clips, a pop group and 6 years of Halloween festivals in Bobbejaanland brought us to the point where we are today.

Since 2017 our goals, visions and core business have changed and we started to focus ourselves onto Urban Competitions. At this moment we have won (since the start of this season in September 2023) already 19x 🏆, 6x 🥈 en 6x 🥉. It promises to become a very exciting season.

We started in 2003 from scratch and have worked hard to create a solid, professional, family-minded dancing school. Today we have more than 500 members per season and we are still doing it with a big smile and lots of passion. Of course our road hasn't been easy or without ups and downs. The loss of several people and the Corona crisis have certainly left some scars, but we keep fighting and we can say: we are still here! Without you we wouldn't be where we are today. Your trust and confidence in our team and our dancing school has been the biggest help and we are still building everyday to become better in our lessons and performance.

We would like to celebrate our 20 years together with you in an amazing show "PORSELIJN".

Each dancer will receive a spot on the stage. In the newsletter you will get all the information needed.

Do not hesitate to talk to us and ask all your questions. The next couple of months will be all about rehearsals, places, costume fittings, buying tickets, extra rehearsals, making the decors, preparing sound and light, and keep going... We do everything we can to make this show a thing to remember. And I hope to celebrate with you all the anniversary of my first 'child' Danzateljee !

REGISTERING

Participation is not mandatory. Therefore we ask you all to complete the registration form. There is a €20 guarantee to be paid that you can deduct later on from the price of your ticket(s).

*

If you have confirmed that you (or your child) will participate, we count on your word. There will be costumes made, fitted, adjusted, We will make choreo's for the show, and eventually telling us that you will not participate creates big problems in the organisation. Also at the last moment asking to join anyway, when you hadn't confirmed is mostly impossible in tickets, costumes and/or choreographies. Please keep this in mind. Our teachers work very hard to prepare an amazing show.

*

The first step: confirm us whether you will or will not participate in the show. The registration form will be distributed in the weekly dance classes. an je docent.
